

ST JOSEPH'S NUNDAH

Enrolment Policy

St Joseph's School gives priority in enrolment to students who are baptised Catholics. Students from other faith traditions whose families demonstrate that they share in the expressed values of our school may also be enrolled.

The process of enrolment is guided by principles of justice and equity that support Catholic ethos and vision.

In a spirit of service guided by the Gospel of Jesus Christ, and in the tradition of the Archdiocese of Brisbane, St Joseph's School furthers the mission of the Church and continues to reach out to those who are poor and marginalised. This reflects the charism of Mary MacKillop and the Sisters of St Joseph who founded the school in 1916. St Joseph's has a strong tradition of meeting the needs of families who for financial reasons may have otherwise not been able to access a Catholic education. St Joseph's is committed to providing a holistic education, which is responsive to each student's diverse and unique spiritual, social, emotional, intellectual and developmental needs and circumstances.

The enrolment of students with special educational needs is supported through the Enrolment Application and Support Procedures for Students with Special Educational Needs that recognises that all participants in the education process (parents, students, teachers, administrators) share as partners, the responsibility for successful outcomes for all students.
