- Shortly after the expiry of the due date, a Reminder Notice is sent, giving families a further period of time to pay
- If a suitable response is not received within a reasonable time frame, the Principal or designated person will contact the family
- If suitable arrangements are unable to be made following the sending out of a Reminder Notice and personal contact, the Principal or designated person may need to send out a Final Notice giving a further period of time to pay
- If after sending the Final Notice, no satisfactory arrangements have been reached and there appears no workable solution, then the account may be sent to a collection agency.

Fee Concessions

No family should endure unreasonable financial hardship because of school fees. Any reduction in fees, will be looked at in terms of:

- Financial needs of the family
- Responsibility to full fee paying parents
- Efforts made in paying the fees

Concessions are only applied to the school fees component of the account. If you believe you may be eligible for a concession, please contact the Office for an Application Form. All discussions will be confidential.

Leaving Part Way Through The Year

Fees & Levies will be payable for the **whole of the term** in which the enrolment is terminated, except in cases where fair notice is given or where it is deemed that fair notice was impractical. Notice must be provided in writing to the Principal.
